

No LIMITS, No BARRIERS:

Assistive Technology and You

**Friday,
September 18
9 a.m. – 2 p.m.**

WHO SHOULD ATTEND?

You should attend if you are: affiliated with ADRC partner agencies, a local official, a social services provider, or a member of the public—especially seniors and those living with disabilities.

Presented by the Aging and Disability Resource Consortium of the Greater North Shore (ADRC of GNS)

The Aging and Disability Resource Consortium of the Greater North Shore is working to collaborate on additional ways to share assistive technology practices and applications.

This conference will help all of us, professionals and citizens alike, increase our understanding of assistive technology options and how to access them.

Panel discussions will detail the assistive technology initiative in the Commonwealth of Massachusetts, assistive technology resources, and evaluation.

Exhibits will feature new aides for the 21st century.

**Please RSVP
by Friday,
September 11**

Conference is at the Salem Waterfront Hotel & Suites, 225 Derby Street, Salem, Massachusetts

**Register online at
<http://adrc.eventbrite.com>**

KEY NOTE SPEAKER

Barbara Harvath of Harvath Health Associates, Salt Lake City, Utah, is the Executive Director of a business dedicated to strategically preparing organizations for emerging technologies and reengineering workflow, facilities, and operations related to emerging technology adoption.

KEY SPEAKERS

Stacie Selfridge, Assistive Technology Manager, Class Inc.

Thomas Mercier, Director, Kelley Assistive Technology Center
for the Department of Developmental Services

Kobena Bonney, Program Coordinator, MassMatch

Jason Luciano, Director, Easter Seals of Massachusetts

Karen Langley, Director, Assistive Technology and Community
Support Programs, Commonwealth of Massachusetts, EOHHS

Please note that as the date of the conference approaches, additional key speakers may be added.

**For more information, call 781-388-2353
(TTY/TTD 781-321-8880)**
