Fruit is very nutritious and delicious!

We know that it's a fact that Americans do not eat enough fruit. Let's see how we can increase our consumption of fruits.

For Breakfast:

- Add fruit to oatmeal, cold cereal or yogurt
- Drink a glass of 100% fruit juice or preferably have a whole fruit
- Stir applesauce into plain or vanilla yogurt and top with nuts or dry cereal

For Lunch:

- Substitute side item (chips) with a juicy fruit
- Mix dried cranberries, diced apple, or grape slices into chicken or tuna salad
- Freeze grapes and enjoy with your lunch

For Dinner:

- Add strawberries or warm pineapple to a tossed salad
- As dessert, dip strawberries in yogurt or top yogurt with fruit

Easy Fruit Salad:

Drain canned fruit reserving the juice. Stir instant vanilla pudding mix with the juice until dissolved. Pour over fruit and stir. Chill for one hour.
