- **Stop the Spread** <https://www.mass.gov/info-details/stop-the-spread>

- The Commonwealth is launching a strategic testing program in communities across Massachusetts that have continued to see a higher number of residents testing positive for COVID-19.
- This program will support the testing of asymptomatic individuals in these communities to help stop the spread of COVID-19. If you are a resident of one of these communities, even if you have no COVID symptoms, please get tested to help stop the spread.
- The Commonwealth urges residents of these communities to get tested for COVID-19:
 - Amherst, Brockton, Chelsea, Everett, Fall River, Framingham, Great Barrington, Holyoke, Lawrence, Lynn, Marlborough, Methuen, Nantucket, New Bedford, North Adams, Pittsfield, Randolph, Revere, Salem, Saugus, Springfield, Winthrop and Worcester.
- **Eligibility**
 - **Open to everyone-You don't need to have any symptom(s)**
 - **No cost to you**
 - **Testing at these sites is not restricted to residents of the city or town**
- **Test results will be provided to each participant confidentially**
- **Participants are encouraged to share these results with their doctor**
- **Visit <https://www.mass.gov/info-details/stop-the-spread> and click on one of the Cities or Towns listed above for the most up to date information on testing locations, times and details. MVES towns included are Chelsea, Everett, Revere and Winthrop**

Residential Assistance for Families in Transition (RAFT) & Emergency Rent and Mortgage Assistance (ERMA)

- The state-funded RAFT and ERMA programs are tools used by the Housing Consumer Education Center (HCEC) team to provide eligible households up to \$10,000 per 12-month period that can be used to help retain their housing, obtain new housing, or otherwise avoid becoming homeless.
- In an effort to serve as many households as possible, we have made some changes to the RAFT /ERMA application process at Metro Housing. The largest change is that, due to health considerations, we have eliminated in-office appointments and are using an email-only option instead. See below for more information about applications in other languages.
- The process for referrals from partner agencies has several steps:
 - Complete the FY21 Service Partner Packet ([Resource information\Financial Assistance\RAFT ERMA Application\FY21-Full-RAFT-ERMA-Application-FileC-07.23.2020.pdf](#)) and send to HCECreferrals@MetroHousingBoston.org.
 - Once the referral has been received from service partners, the RAFT Manager will assign the application to a Case Manager (CM).
 - The CM will review all documents and will follow up with the service provider by email or phone if they are in need of additional documents. The CM will sometimes follow up directly with the family with clarifying questions. If all the required documents are uploaded, the CM will not need to contact the applicant and will instead contact the referring agency.
 - The application will also require property owner documents if requesting arrears or start-up costs. For greater efficiency, these documents should be submitted with the referral. Otherwise the CM will follow up with the property owner and possibly slow the approval process. Property owner packet can be found here

[\(Resource information\Financial Assistance\RAFT ERMA Application\RAFT Property Owner Packet FY21.pdf\)](#)

- For greatest efficiency and to ensure the swiftest process, please provide all required documents and explanation of the housing crisis in the first email. It will take between two and four weeks to process all applications.

Additional Flexibility in Response to COVID-19

- In response to the increased need due to COVID-19, DHCD has authorized a series of changes to make RAFT a more effective tool to help address today's housing crises. The most significant changes include:
 - Applicants can simply provide a short self-statement (written or verbal) connecting their housing emergency with the COVID-19 crisis. Third-party verification or documentation verifying loss of income is not needed.
 - If documents are unavailable due to the COVID-19 crisis, applications may be processed without documentation that is normally required.
 - Applicants may qualify for utility assistance by simply providing a notice of arrears. A shutoff notice is not necessary.
 - Subsidized applicants may receive RAFT a second time within 24 months but a rent adjustment should be explored first if there has been a loss in income.
 - Applicants no longer need to be behind on payments to apply. Applicants can provide documentation that COVID-19 has affected their future ability to pay.
 - Income eligibility will be based on current income.
 - CARES act payments will not be included in eligible income calculations.
 - Applicants do not need a notice to quit, court summons, or utility shutoff notice to apply.

Who qualifies for RAFT & ERMA?

- A household's income must be at or below 80 percent area median income (AMI).
- Households composed of two or more people living together, one of whom is a dependent child under the age of 21. A pregnant mother qualifies if she is the head of household.
- Individuals, families with older children, couples without children, unaccompanied youth, and households of any size.
- Household must provide documentation/proof that they are currently experiencing a housing crisis:
 - For households with rental arrears: Written documentation of rental arrears, demonstration of a financial hardship (reduction in revenue and/or increase in expenses) that caused the nonpayment of rent, and demonstration that payment of the arrears will allow the household to retain their housing.
 - For households facing eviction: Summary Process Summons and Complaint. Tenants who have a housing subsidy and are facing eviction due to non-payment of rent must also provide proof of financial hardship that explains cause for arrears in order to receive assistance.
 - For households leaving doubled-up housing: Letter from landlord or primary tenant explaining that the family must leave. This must also include the address,

- date, and contact name and info of person writing letter. A copy of new lease or letter of intent to rent for new apartment.
- For households leaving unsafe housing: Verification of unsafe housing conditions and copy of new lease/letter of intent to rent for new apartment.
 - For households facing foreclosure or mortgage arrears: Current mortgage statement and letter from lender indicating that family is at least 30 days in arrears and at risk of foreclosure.
 - For households facing utility shutoff: Utility shutoff notice and current bill.

Due to the COVID-19 health crisis and the stay at home advisory, we ask that clients do not leave their home to attain documents. If they have access to documents without leaving their home, please email pictures of the documents using their smart phone, if possible. If they do not have access to the documents and need additional time, please let us know.

What can RAFT & ERMA funds be used for?

Program funds can be used for housing-related expenses only. Appropriate uses of funds include, but are not limited to:

- Rental or mortgage arrearages.
- Security deposits.
- First and last month's rent.
- Utility arrearages.
- Furniture. (May only be requested if connected to one of the housing crises listed above).

- **Utility forgiveness program**
 - Eligibility
 - On the discount rate code
 - Owe more than \$300 and more than 60 days past due
 - How it works
 - A monthly payment amount is determined based on the average energy usage in the past 12 months
 - This amount may increase or decrease if usage changes
 - With each on-time monthly payment, the account is credited with an amount calculated as the total past-due balance divided by 12.
 - 1/12th of the enrollment balance is eliminated or forgiven each month
 - Up to \$12,000 can be forgiven annually
 - To apply
 - Eversource East <https://www.eversource.com/content/ema-c/residential/my-account/billing-payments/help-pay-my-bill/nu-start>

 - National Grid Electric <https://www.nationalgridus.com/MA-Home/Bill-Help/Forgiveness-Program>
- **Protections from Disconnect**
 - Protection from disconnection of service for non-payment may be available for customers with financial hardship and specific household circumstances such as;
 - Medical
 - If a customer of record or a member of their household has a serious or chronic illness, a certified medical professional can

- notify the utility company of the illness type (serious or chronic) and duration of the illness
 - A Medical Certification of Serious Illness Form or letter is required and must be completed by the appropriate Physician or Board of Health, Nurse Practitioner, or Physician Assistant
 - Infant
 - If a customer of record has a child under the age of one (1) years old living in the home, the customer must provide to the utility a copy of the birth certificate or other proof of age. For medical and infant protections, the customer must also be identified as financial hardship to avoid a disconnect for non-payment for the duration of the protection
 - Elderly
 - When all members of the household are 65 years of age or older or are elderly with a minor living in the household, the utility service is protected from disconnection for non-payment. To certify for Elderly Protection only, the customer:–Must provide proof of age (ID, birth certificate, Medicare card, etc.) –Does not have to prove financial hardship–If claiming elderly with minor, you MUST prove financial hardship
 - Winter Protection
 - Protected customers are still responsible for their energy usage and paying their utility bill. We encourage these customers to make a payment, enroll in a payment plan, or apply for the Forgiveness Program
- **Financial Hardship Protection**
 - Customers experiencing a financial hardship can qualify for programs and protections when their household income is at or below the 60% of the State Median Income or if they receive qualifying benefits.
 - By completing a financial hardship statement, customers can self-certify for financial hardship by providing the utility with household size and income
 - Customers enrolled on the discount rate are automatically identified as financial hardship and do not need to complete a financial hardship statement
 - Once verified as financial hardship, the customer is protected under Winter Protection in which the utility service will not be disconnected for non-payment from November 15 through March 15.
 - Learn More–Call Customer Service for a copy of the financial hardship statement form
