By sponsoring Spring for Independence Celebration 2021, you are ensuring that older adults and adults living with disabilities are able to receive the life-supporting care they need.

In the words of a MVES volunteer, **"Dignity is central to who we are. It embraces the idea that we are worthy of respect and deserve to be accepted, treated well and cared for as we age. While old age may physically strip us of our abilities, our inner selves often remain ageless."**

Your generous sponsorship will help preserve the **dignity** of older adults and adults living with disabilities such as *Rose*, a 72-year-old Reading resident confined to a wheelchair and home bound, who simply wanted to go outside on her own terms and enjoy some fresh air. With support from donors like you, Mystic Valley Elder Services installed a temporary ramp so that Rose can safely enter and exit her home as she wants. Please sponsor "Spring for Independence" so funds will exist for future "Roses" who call us in need and with nowhere else to turn for help.

Spring for Independence is our largest and most important fundraiser of the year. The funds raised help meet critical needs and support essential programs such as home care for people who fall into eligibility service gaps, food assistance, money management support, mobile mental health counseling, transportation, caregiving support and more. In these very uncertain times, we hold out hope that we can come together as a community and celebrate your support of our mission in late Spring 2021 (while still maintaining social distance and with increased safety measures).
