**Mystic Valley Elder Services Employee Spotlight Award Winner**  
*Resident of Wellfleet*

**(Malden, MA)**— The Mystic Valley Elder Services (MVES) Employee Spotlight Award winner for the first quarter of 2022 is Wellfleet resident Mary Saffioti, Health Services Care Manager, who's been with the agency for 3 ½ years.

Mary's nominator had this to say about her:

*"During this very challenging time with being down several care managers on our team for a while now, Mary has been a GREAT leader to the several newer care managers even while still down a few – it has been overwhelming and difficult and she has been helpful, supportive and patient with all the added work, care managers shifts, questions, and challenging consumers.*

*Mary is amazing with the consumers and just has really grown over the years to be invaluable to our team and to MVES. We couldn't be doing a successful job on our team right now without her so I'm recommending her for this award!"*

The spotlight award is given to a Mystic Valley Elder Services employee who has gone above and beyond typical job expectations, provided outstanding customer service, or performed distinctive achievements that impact their department and agency.

Congratulations Mary!
